Information We Share

- Distinction between:
 - Publicly available information (by the RIPE NCC)
 - Non-publicly available information
- We share publicly available information
- We have no right/obligation to disclose any non-public information
 - Except upon legally binding Dutch order
- We only have the mandate to report cases of fraud to LEAs

Details about Members' Audits

- We only publish aggregated data
- Names of members that have been reported are non-public information
 - To avoid misuse (e.g. reports submitted by competitors)
- We do not share the outcome of an audit with the person that submits the report
- We give no details about our evaluation process
 - This would be a guidebook for abusers on how not to be caught
