- have been circulated on the mailing list
- no comments received yet
- feedback? Any inaccuracies that need correcting?

C. current policy topics

- presentation by Marco Schmidt, NCC PDO

E. On Mailing List Etiquette

- your WG chair Sander Steffann wants to spend a few minutes on this...

before entering the more interactive part...

- No decisions are made here(!).
- We will *not discuss* the merits of the policy proposals themselves here and now, just present and answer questions.
- Consensus based process based on the *open and public* mailing list.
- please remember to speak into the microphone
- please speak your name, so the scribes can properly attribute what you said
- the session is webcast, so people who couldn't come to Madrid can still be participate
- remote feedback can be provided by IRC

F. (Discussion of) open policy proposals (1)

- 2015-04
 - “RIPE Resource Transfer Policies”
 - v4.0 in review phase since September 27
 - * quite a bit of discussion on the list
 - * main opposing argument left (so far): introduction of “24 month holding period” for resources acquired via mergers & acquisitions.
 - short presentation by Erik Bais
 - then Q&A

F. (Discussion of) open policy proposals (2)

- 2016-03
 - “Locking Down the Final /8 Policy”
 - heated and controverse discussion in “discussion phase”
 - at the end of the discussion phase, the PDP does not(!) require community consensus to go ahead, only agreement by proposer and WG chair
 - summary and reasoning posted to APWG list
 - in review phase since October 19
 - would need much stronger support in this phase to go ahead
 - short presentation by Remco van Mook, then Q&A

F. Discussion of open policy proposals (3)

- 2016-04
 - “IPv6 PI Sub-assignment Clarification”
 - *new* proposal, in discussion phase since last week
 - quite a bit of support
 - concerns seem to mostly center around
 - * “should this be necessary at all, or is this just a misinterpretation of PI policy by the NCC?”
 - * will this encourage use of longer-than-/64 subnets?
 - short (remote) presentation by Maximilian Wilhelm
 - then Q&A, and feedback from the room

H. Nick Hilliard

- Supermarket Checkouts, Airline Hand-Luggage and Other Trivia
- presentation by Nick Hilliard
